

# Specification Sheet: ecovista G<sup>2</sup> Wall Washer

## Put Your Building in the Best Light

Whether you need to light your building exterior in complimentary light to show it at its best or highlight impact areas, our ecovista G2 wall washer delivers an energy-saving option, capable of reducing energy use by 86%. Combined with a 100,000-hour rated life and 7-year warranty, our LED wall washer achieves uniform illumination, while ensuring lower long-term operational and maintenance cost.

Our state-of-the-art LED solutions are durable, reliable and high-performance. Available in either ground- or wall-mounted options, it is ideal for either dry or wet locations, and was designed with our Total Internal Reflective (TIR) optics to ensure long-life clarity/optical performance. This TIR Optic is the catalyst for the even and focused light distribution, capable of delivering more than 87% of light to your intended target area.
